List of Academic Advisors

**Graduate School of
Science and Engineering**

**Kansai University
Graduate School**

List of Academic Advisors of Graduate School of Science and Engineering for 2024 Academic Year

Mathematics	1~ 2
Pure and Applied Physics	3~ 5
Mechanical Engineering	6~12
Electrical, Electronic and Information Engineering	13~19
Architecture	20~22
Civil, Environmental and Applied Systems Engineering	23~27
Chemical, Energy and Environmental Engineering.....	28~31
Chemistry and Materials Engineering	32~40
Life Science and Biotechnology.....	41~44

The “List of Academic Advisors of Graduate School of Science and Engineering for 2024 Academic Year” is for both the “Special Entrance Examination for Recommended International Students” and the “International Students Entrance Examination for International Science and Engineering Course”.

Note: The research advisors may change as needed.

If it changes, we will notify applicants via posting a notice (Japanese Version) on our website, please check our website before applying.
